VOLUME XVI. ALBANY, ALAMEDA COUNTY, CALIFORNIA FRIDAY, JULY 27, 1951 Number 44

Two Quakes Shake City

Albany was the center of two earthquakes last Monday evening but no damage was reported.

The first tremor—of a minute's duration—started at 7:26. The second, which lasted three minutes, came at 8:04 p.m.

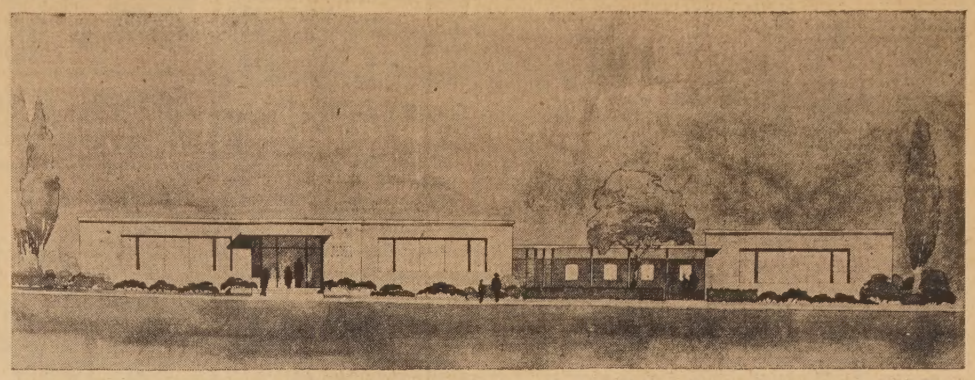

Seismologist Don Tocher of the University of California said the magnitude of the first quake was between 3 and 4, and the semond, 5. The scale runs from 1 to 12.

Albany Police received some 75 calls over a period of three hours from alarmed residents "wanting to know what happened."

The second tremor struck as the Albany City Council meeting was under way, causing many in the audience to stir nervously in their seats. Many residents stood in their front doors and yards—apparently undecided if there had been an earthquake or atomic blast.

The last intense earthquake in this area was in August, 1949. A slight one was recorded in July, 1950.

TONY BERTIM, 913 Curtis St. and John Phil, 715 Ramona Ave., spent the weekend with his family there in the mountain resort

DESTINY of Albany's proposed new 30,000 volume city library and adult education room will be decided when Albany voters ballot on a $65,000 bond issue to finance construction. The City Council has approved plans for the building and a recommendation of the Library Board that a special bond election be held in October. The ultra modern building, as pictured above in a drawing by Architects Young and Lloyd, would be built on the site of the old Cornell School on Solano Ave.—Courtesy Gazette.

Fresno Rites Held For Frank Stoner

Funeral services were conducted in Fresno Wednesday morning for Ira Frank Stoner, retired Ohio fruit rancher, who died Friday at his home, 821 Masonic Ave., after a short illness. He was 79.

A native of Ohio, Mr. Stoner moved to Albany several years ago and was a member of Los Palmos Lodge 366, F and A., of Fresno.

He is surveded by his wife, Cuba.

S'Board Awards Paving Contract

The Board of Education today had awarded the contract for paving Codornices School playgrounds to O. C. Jones and Sons of Berkeley, who submitted the lowest of four bids which ranged from $7580 to $9254.

In other business at the July 18 meetings, the Board granted a year's leave of absence to Mrs. Edith Ball, MacGregor School teacher. Mrs. Thelma L. Lash was employed as an elementary teacher.

Dr. Philip F. Meads, president, presided over the meeting.

Druids Meet Monday

A special meeting of the drill team and escorts of Druids, Albany Circle 120, has been called for 7:30 p.m. on Monday, July 30, at the social hall of Albany Community Methodist Church, Marin and Stannage Aves.

OFF FOR FEATHER RIVER

Mr. and Mrs. James Dolan left Thursday morning in their new Chevrolet for the Feather River area where they will vacation for a few days. Dolan is advertising manager at Dagna's Market.

Board Given Go Signal For New Library Plans, $65,000 Bond Election

The City Council Monday night approved a three-point program of the Library Board, including the necessary authority to proceed with plans for a new $63,620 city library.

By a vote 4-1 with Councilwoman Mrs. Kathie Zahn voting no, the Council approved the following recommendations of the Board:

1. That plans for a library building and adult education room as presented to the Council July 10 be approved and accepted.

2. That a special bond election be called to provide bonds to the amount of $65,000 to finance the project.

3. That the Library Board be given the necessary authority to carry out the project to completion.

Mrs. Zahn said she was against the city constructing a library on school property and that an adult education room be included in the building. She also held that the people should vote on the issue but that it would be "wasting the taxpayers' money to have a special bond election in October with the regular municipal election coming up next April."

Mrs. John L. Hastings, member of the board, told the Council and audience that the entire proposal for a new library could be absorbed by the taxpayers at little extra expense.

In asking the support of every citizen, Mrs. Hastings said that the building itself would cost $56,610, furnishings, $3735, and landscaping, $3000.

The proposed 30,000-volume library would be built on the site of the old Cornell School. The city recently leased the property for 99 years at $1 per year. The contract states, however, that a library must be constructed on the property.

Exclusive Dance For Teenagers

Over 50 Albany teenagers turned out last Friday evening at Marin School Auditorium for the first exclusive teenage dance sponsored by the Albany Recreation Department since before World War II.

Emmett Devine, superintendent of recreation, said other dances will be held in the near future providing there is sufficient demand.

During the intermission, Rodger Giles introduced the master of ceremonies, Jack Greenwood, who in turn introduced Mayor Jerome Blank, Devine and Carl McWilliams, representative of Albany Lions Club.

Special entertainment during intermission included Waldo Wallace and Jim Miller, who performed on the saxophone and accordion respectively, and two "bop" vocal selections by Greenwood, who also pantamined a typical jazz at the philharmonic with his tenor sax.

Mrs. Walter Hale donated 16 dozen doughnuts for the event, and the Dependable Refrigeration Co. provided the Coke machine.

Serving on the committee of arrangements were Donna Caroll, Waldo Wallace, Mike Curchon, Jack Greenwood, Judy MacLeod, Pat MacLeod, Ruth Conway, Rod Tognetti, Mike Cruchon, Valerie Ellingson, Harry Gabel, John Kelley, and various recreation directors.

Native Sons Initiate Six, Set Whist Date

Albany Parlor No. 314, Native Sons of the Golden West today had added six new members to its roster. Initiation was conducted at a recent dinner meeting held at the Roberta, according to President Frank Torchia.

They are Charles C. Rooney Jr., Robert K. Duty, Thomas F. Jobe, Roland R. Grisham, Edward Chicou and John W. Ivancich.

Dan Colatorti, chairman of ways and means, announced that a public whist party will be held at the home of President Torchia, of 137 Santa Fe Ave., El Cerrito, at 8 p. m. on August 10. He also asked that members donate prizes for the affair.

Two NSGW bowling teams have been organized and are practising at Albany Bowl in preparation to enter the winter league. The winter softball tournament will see a Native Sons' team from Albany entering, according to Earl Friis, chairman. Signups are about complete and uniforms will be ordered soon.

Plans were also discussed at the last meeting for a joint dance this fall with the Native Daughters.

Honor guests at the meeting included D. F. Dissmeyer, district deputy grand president, and Louis Gronorio, both of Richmond Parlor No. 217.

MacGregor PTA Reveals Program, Social Events for Coming Year

Tentative program plans for MacGregor PTA's coming school year were revealed at a recent meeting held at the San Gabriel Ave. home of the co-presidents, Mr. and Mrs. William McGimpsey.

Using the general theme, "To Know is to Understand," program chairmen Mr. and Mrs. Milton Porter have lined up several guest speakers on such varied subject as "Our Children," "The Role of the Father in the Home," and a possible panel discussion and program on reading.

Prominent speakers during the fall term will include Dr. Ernest Wolf of Mt. Zion Hospital, Dr. Leonard Grindstaff, asistant superintendent of Alameda Public Schools, and Dr. Fred Stripp of University of California public speaking department. Planned also is a meeting with MacGregor school children participating in May, 1952.

On the social side, the fourth annual turkey whist party has been planned for November 2 at Albany High School Auditorium. The PTA will celebrate its birthday in October with a spaghetti dinner at the Cornell School cafeteria. The annual Christmas party and the potluck dinner in April are being planned by Dr. and Mrs. Philip Meads, hospitality chairmen. The annual clothing and rag drive usually held in September is slated for early spring.

The meeting was also devoted to planning several summer sewing projects, including MacGregor-plaid trimmed curtains for Principal Charles Reed's office, the teachers' and nurses' room, and a new Santa Claus costume for the children's Christmas party each year.

Those attending the meeting were Mrs. W. W. McGimpsey, Mrs. N. P. Reckas, Mrs. Ollie Foott, Mrs. Ted Hern, Mrs. Philip Meads, Mrs. Milton Porter and Mrs. Carl Fosselius.

Fedelis Shrine Names Five New Officers

Several new officers for Albany Fedelis Shrine No. 60, the White Shrine of Jerusalem were elected and installed at a meeting Monday evening in the social hall at Albany Community Methodist Church.

Mrs. Mildred Webster, district deputy, and Mrs. Alice Steward, supreme honorary herald, officiated during the installing rites.

Harold W. Olson was named Watchman of Shepherds, filling the vacancy created through the resignation of Ulrich R. Gray, former city engineer, who has accepted a city post in National City. Mrs. Edna Grey's departure left the office of queen open, which was filled by Irene May. Their former offices of third wise man and queen's attendant were filled by Dr. A. Eugene Doss and Esther Anson.

Refreshments were served after the rites under direction of Rita Steed, chairman.

Last Rites Said For Mrs Jacobsen

Funeral services were conducted from the Ellis-Olson Mortuary 2 p.m. Wednesday for Mrs. Astrid Jacobsen, a resident of Albany for the past 10 years, who died Friday at her home, 737 Adams St., after a month's illness. She was 71.

A native of Throndhjem, Norway, Mrs. Jacobsen was a member of Oakland Lodge 14, Sons of Norway and Normandsforbundet.

She is surveved by her husband, Jacob, a machinist for the Western Regional Research Laboratory in Albany; three children, Anne Marie Smith of North Dakota, Karen M. Peterson of Albany and Erling P. of El Cerrito. She also leaves five grandchildren.

Committal services followed at Sunset View Cemetery.

Red Cross Seeks Relief Fund For Flood Victims

An emergency appeal to flood sufferers in Kansas, Missouri, Oklahoma and Illinois, was announced today by Dr. Paul Bryan, chairman of the Berkeley Chapter of the American Red Cross.

This is a nationwide appeal, Berkeley Chapter acting with all Red Cross Chapters throughout the nation, Dr. Bryan said. Albanyans are being asked to contribute to a special $5,000,000 Red Cross relief fund for the most damaging flood in the nation's history.

Contributions to Midwest Flood Relief will be received at the chapter house at 2116 Alliston Way. Red Cross volunteers will man booths in the Berkeley theatres, banks and in J. F. Hink and Son department store from Thursday, July 26 at 10:00 a.m. through Wednesday, August 1.

Proof of the magnitude of this disaster is the government allocation of $25,000,000 for disaster relief. This appropriation will not affect the traditional rehabilitation work of the Red Cross.

Two Albany Men Serving on Tank Landing Ship

Serving aboard a ship which can carry Army tanks long distances and land them directly on enemy beachheads are two Albany men.

They are Hellwig C. Hellwig, seaman, USN, son of Mr. and Mrs. Clifford C. Newbere, of 1235 Marin Ave., and Edwin J. Weber, fireman, USN, husband of the former Jean D. Cottle, of 711 Pierce St.

Both the Navy men are serving aboard the tauk landing ship, USS 846, operating with the amphibious forces in Korean waters. Recommissioned from "Mothball Fleet' at Astoria, Ore., last November, the 846 has been in action in Korea since May.

May Boost Admission Tax to 10¢

The City Council today was eyeing a new approach to obtain additional revenue from the Albany race track with the possible aim of boosting the city admission tax.

The Council Monday night unanimously approved a motion of Councilman John C. Longaker to instruct City Atty. Edward R. Plotner to obtain an opinion from the State Attorney General as to the legality of the city's present five cents per head admission tax at the track.

Golden Gate Fields holds that the admission tax is not legal and claims it "only tolerates the tax to get along with the city."

Action came after a previous motion of Longaker's to double the present five-cent admission tax died for the lack of a second.

Longaker said that if the attorney general ruled that the tax was legal then the Council would have no fears about boosting the tax to 10 cents.

The Council last week killed a proposed ordinance which would have levied an additional $100 per day tax on the track for each racing day. Action was taken during the absence of Councilman Longaker who proposed the ordinance. Mayor Jerome Blank and Councilman Raymond Cleary approved the ordinance at its first reading, but rejected it at the final reading on the ground that "it was not the solution for gaining additional track revenue."

The Council also approved a motion of Councilwoman Mrs. Kathie Zahn to have Robert Thorpe, area rent director, and the Office of the Housing Expediter to make a survey on rental conditions in Albany.

A public hearing on rent decontrol in Albany was scheduled for 8 p.m. Thursday at the City Hall. The hearing was called two weeks ago at the request of the Alameda County Apartment Owners Assn., which will present its survey of rental conditions in Albany.

Councilmen said the decision on rent decontrol would be postponed until after the survey is completed by the Housing Expediter.

In other business the Council agreed to write a letter to the Public Utilities Commission protesting Key System's cut in the bus service on the G-Line and "the poor service on the 43-Line."

The Council backed Mrs. Zahn in her proposal to fight Key System's recent cut in service on the G-Line.
